

The image is a vibrant Japanese advertisement for Autobacs' tire sale. It features large, stylized text for 'タイヤ選びをお手伝い!' (Helping you choose tires!) and 'おクルマと予算に合わせてお選びいただけます。' (You can choose based on your car and budget). The central focus is a large red '2,300円' price tag with '税込' (including tax) above it, surrounded by several tire models. One model, 'KUMHO TIRES 7 ソルウスKH17' (155/65R13), is shown with a small car image and a 'なし' (none) note. Another model, 'エクスタHS51' (165/55R14), is shown with a white van and a 'なし' note. A third model, 'エスホルテAB01' (155/65R13), is labeled '日本製' (Made in Japan) and 'なし'. A fourth model, 'モビシス777' (145R12 6PR), is also labeled '日本製' and 'なし'. The background features a dynamic yellow and red radial pattern. On the right side, there's a promotional section for the '年末夏タイヤ大還元祭' (End-of-Year Summer Tire Big Return Festival) with a 'No.1' badge and a '20,000円相当還元!' (20,000 yen equivalent return!) offer. A table at the bottom right lists the '還元金額一覧' (Return Amount List) for different tire sizes.
